

Dunster Estate farms and businesses

Extending over 2,600 hectares (6,245 acres) of lush, fertile West Somerset countryside, the Dunster Estate’s farmland yields a diverse range of produce and services.

As well as delivering high quality goods, the estate’s farms and businesses are continually searching out new ways to diversify, expand, consolidate and restructure to meet the demands of the ever changing economic climate.

The Crown Estate supports and enables our tenants to succeed in all sorts of new and exciting ventures. Together we have a proven track record in developing successful businesses that are managed sympathetically to the environment and make a real contribution to the local economy.

The following is the Dunster Estate’s range of producers and suppliers and the products and services that they offer.
